

## Having lunch and your boss pays for it – Lunchit makes it possible

### What is Lunchit? Your favorite app to be.

**The tasty extra to your salary:** With the Lunchit App your employer pays for your lunch - up to € 6.57 tax-free daily.

**Your digital canteen:** You decide where and what you eat, because Lunchit works everywhere - in every restaurant, supermarket, snack bar or at every delivery service.

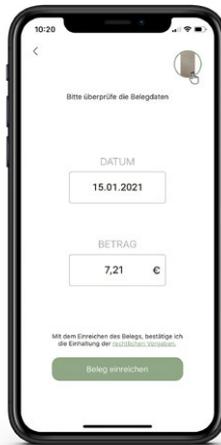

### And how does it work? – Simple!

1

Decide, enjoy & take a photo of the receipt within the app

2

Check the information & submit with one click

3

Looking forward to the automatic refund of up to 144 euro with the next salary

### Questions in your head? - We have the answers.

For tax reasons, you can only use Lunchit on regular working days, i.e. not during holidays, illness or business trips. In addition, no alcoholic beverages, tobacco products or non-food items can be refunded. In our Lunchit FAQs, we have collected and answered the most important questions for you: [www.spendit.de/faq](http://www.spendit.de/faq)
